

36. Contract Terminations

36.1 Summary

The Contract Terminations screen (Figure 36.1) presents seven (7) fields for entering information related to termination and initial funds release cycle time. It also has two (2) system-filled fields: Organization and Date.

Information about the Menu Bar options is presented in Section 5.3; information about the Tool Bar options is presented in Section 5.4. Section 8 tells more about entering information into the data boxes. Section 9 explains how to exit.

36.2 Contract Terminations Screen

The screenshot shows a software window titled "Contract Terminations (Screen 1 of 1)". It features a menu bar with "File", "Edit", "Functions", "Administration", and "Help". Below the menu bar is a tool bar with icons for file operations, navigation, and help. The main area has a yellow background and contains the following fields:

Field Name	Section Number
Organization	
Date	
Termination Percentile Difference	36.2.1.1
Dockets On-Hand	36.2.1.2
Overage Dockets	36.2.1.3
Dockets Without A Contractor Proposal	36.2.1.4
Nonappealable Eligible Dockets On-Hand	36.2.1.5
Dockets Closed (Unit Cost #18)	36.2.1.6
Days to Close Termination Dockets	36.2.1.

(Numbers in fields refer to section numbers)

36.2.1 Fields for Contract Terminations Screen

The number in parentheses at the end of each field description refers to the corresponding section number in the *DCMC Metrics Guidebook*.

36.2.1.1 Termination Percentile Difference

Enter the average percentile difference between prenegotiation target position amount and termination settlement amount for all termination settlements executed during the report period. (4.1.1a)

36.2.1.2 Dockets On-Hand

Enter the quantity of open termination for convenience dockets on-hand at the contract administration office at the end of the report period. (4.1.2.1a)

36.2.1.3 Overage Dockets

Enter the quantity of dockets that have been on-hand at the contract administration office for more than 365 days from the date of the contractor's settlement proposal or for more than 730 days from the date the docket was established. *NOTE: Dockets that fall into both categories are counted only once.* (4.1.2.1b)

36.2.1.4 Dockets Without a Contractor Proposal

Enter the quantity of dockets on-hand at the contract administration office at the end of the report period where the contractor has not yet submitted a termination settlement proposal. (4.1.2.2a)

36.2.1.5 Nonappealable Eligible Dockets On-Hand

Enter the quantity of dockets on-hand at the contract administration office at the end of the report period that are eligible for nonappealable determination because they have been on-hand for more than 365 days since the termination settlement proposal and no extension has been granted. (4.1.2.2b)

36.2.1.6 Dockets Closed (Unit Cost #18)

Enter the quantity of termination for convenience dockets the contract administration office forwarded for incorporation into official contract files during the report period. *NOTE: This is the Unit Cost Count for Unit Cost Category (18) Termination For Convenience.* (4.1.2.3a)

36.2.1.7 Days to Close Termination Dockets

Enter the total quantity of days required by the contract administration office to close all termination for convenience dockets which were closed during the report period. (4.1.2.3b)
